

SCIENCE ACADEMIES' LECTURE WORKSHOP ON "RECENT ADVANCES IN ANALYTICAL CHEMISTRY"

Venue: Department of Chemistry, Salipur Autonomous College, Salipur. Cuttack. Odisha.

Date: 08-09 September, 2017.

REPORT

The lecture workshop was held on 8th and 9th September 2017 in PLT of the College. The inaugural session was graced by Deputy Director, Department of Higher Education, Govt. Of Odisha, Dr Indubhushan Mohanty and former President of Orissa Chemical Society, Dr Subasini Lenka. They were the Chief Guest and Guest of Honour respectively. Prof. Ashok Kumar Mishra, Professor, Department of Chemistry, IIT Madras was the convener of the lecture workshop. The other resource persons were Prof. A C Dash (Utkal University), Prof. Tarashankar Pal (IIT, Kharagpur) and Prof. Debashis Ray (IIT, Kharagpur). **About 184 participants including students and teachers of 15 nearby colleges and institutes were present.** During the two days lecture workshop, each resource person gave two lectures. There was an interaction session between the students and resource persons which was found to be very useful. The students and teachers (lecturers and Readers) had a great opportunity of attending the workshop and sharing their views with the learned resource persons.
