

PROCEEDING OF AUTONOMOUS SEMINAR  
DEPARTMENT OF STATISTICS

Date: 07-02-2019.

The Autonomous Seminar was organized by the Department of Statistics in the career counseling Hall on 07.02.2019. For this purpose, Dr. Priyaranjan Dash, Reader & Head, Post Graduate Department of Statistics, Utkal University, was invited to grace the occasion as the Resource Person.

In this seminar, Miss Tapaswini Mohapatra, Lecturer in Statistics gave welcome address and requested Prof. Saroj Kumar Mohanty, Honorable Principal of the college to preside over this session.

Mr. Karunakar Muduli, Head of the Department of Statistics, introduced the guest and gave a brief introduction of the seminar.

Prof. Saroj Kumar Mohanty, Principal did welcome the guest and gave his valuable speech on the thrust area of the seminar.

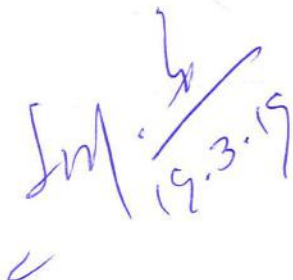

The Resource Person was requested to present the paper. Then the Resource Person presented the paper on 'TESTS OF SIGNIFICANCE' in the house. After the presentation, the paper was open for discussion. It was thoroughly discussed and students asked different questions on this area and the Resource Person gladly answered the questions. The Resource Person enlightened the students. It was a very valuable session from the point of view of our academic achievement.

Dr. Sangita Mishra, the Academic Bursar & HOD Mathematics, was invited to Participate in the seminar. She participated in the seminar and gave valuable suggestions.

Dr. Sitanshu Shekhar Mishra, Lecturer in Statistics, was also present in the seminar and participated in the discussion.

Miss Smrutirekha Bhuyan, +3 Final Year Honours student offered vote of thanks to the Chair, Resource Person, members of the teaching and non-teaching staff who were present in the seminar and the students who participated in the seminar to make the seminar a grand success one.
